ACHIEVEMENTS

5 Superiors on SEHS Test 2023

Melbourne High School

Dulain is currently a student at Melbourne High School after getting 5 Superiors (Top 10%) on the Selective Exam. These are made of the following categories: Reading, Mathematics, Verbal, Quantitative and Writing Tasks. This covers a broad range of academic capabilities.

PRIZE - Top 0.3% 2019

Australian Maths Competition - AMT

Dulain was in the Star Weekly newspaper for getting a prize award in AMT, which is an Australian and New Zealand Maths competition. The prize award meant Dulain was in the top 0.3 percent of participants getting a 28/30 weighted questions correct. For this competition, Dulain won the title Best in School for two years in a row.

5 Exceeding Results 2024

NAPLAN

Dulain got the highest score for Numeracy, Reading, Writing and Grammar/Punctuation for his Grade 9 NAPLAN results. His Spelling Score was a single scoring unit below the top mark. All of his results were in the Exceeding category.

High Distinction and Medal - 1st in State 2022

ICAS

For his Year 7 ICAS Results, Dulain got a High Distinction for Maths. For Digital Dulain received a medal which signified that he'd gotten the highest score in Victoria. In the previous year Dulain had gotten High Distinction for Science, Maths, English and Digital.

National Champions and Worlds Representatives 2013 - 2015

F1 in Schools - REA

In Year 8 Dulain competed in the F1 in Schools National Finals and became the National Champions. His team received 6 out of 13 awards and were selected to go to the World Finals, in which they came 19th out of 68 teams. As the team's Design Engineer Dulain held the primary responsibility for the Best Engineered, Best Engineered CAD and Best Manufactured Car awards. The team also received the awards of Best Trade Display, Best Marketing and Best Graphic Design to which Dulain contributed to.
